XIII. Particularities of the University admission procedure for foreigners and stateless persons

1. Admission of foreigners and stateless persons to the University is carried out according to the Laws of Ukraine "On Higher Education", "the Legal Status of Foreigners and Stateless Persons", "Legal Status of Foreign-Based Ukrainians", "On Refugees and Persons in Need of Subsidiary Protection or Asylum", Decree of the President of Ukraine dated June 3, 1994, No. 271 "On Measures for the Development of Economic Cooperation of the Regions of Ukraine with the Adjacent Regions of the Republic of Belarus and the Administrative-Territorial Units of the Republic of Moldova", Resolution of the Cabinet of Ministers of Ukraine dated September 11, 2013, No. 684 "Some issues of recruitment for training foreigners and stateless persons", Order of the Ministry of Education and Science of Ukraine dated November 1, 2013, No. 1541 "Some issues of the recruitment and training (internship) of foreigners and stateless persons" registered in the Ministry of Justice of Ukraine on November 25, 2013, under No. 2004/24536.

2. Foreigners and stateless persons (hereinafter – Foreigners) may obtain higher education at the expense of individual and/or legal entity, unless otherwise provided by international agreements of Ukraine, the consent to be bound by the Verkhovna Rada of Ukraine, laws or agreements between higher education institutions on international academic mobility.
Foreigners and stateless persons have the right to obtain higher education at accredited and non-accredited educational programs.

3. Enrollment of foreign applicants to study at the expense of individual and/or legal entity can be carried out by the University twice per year, before and at the beginning of academic semesters (but not later than on **November 1** and **March 1**) for obtaining Bachelor's and Master's degrees.
Th University calculates scores/grades of applicants based on the document on the previous educational level and set the minimum amount of scores/grades in general subjects for the entrance examination.
4. Enrollment to study for obtaining the Bachelor's degree (Master's degree in medicine) is carried out due to the results of entrance examinations (exam) in competitive subjects and language of training (testing), as well as on grounds of academic rights to continue study provided by the document on the acquired educational level in the country of its origin and performance scores that allow continuing study at the next level of higher education according to legislation of the country issuing the educational document.

Enrollment of foreigners to study for obtaining the Bachelor's degree is carried out while passing entrance examinations from July 1 till November 1, 2021, and from January 1 till March 1, 2022, inclusive.

5. Enrollment to study for obtaining the Master's degree is carried out due to the results of entrance examinations: an exam in specialized disciplines and language proficiency testing, as well as on grounds of academic rights to continue study provided by the previous education document in the country of its origin and performance scores that allow continuing study at the next level of higher education according to the law of the country issuing the education document.

Enrollment of foreigners to study for obtaining the Master's degree is carried out while passing entrance examinations from July 1 till November 1, 2021, and from January 1 till March 1, 2022, inclusive.

6. All categories of foreigners are enrolled to the University on the basis of enrollment orders. This fact can be confirmed by the statement formed in the Unified State Electronic Database on Education (USEDE).

7. Applications and documents by students are accepted from July 1 till November 1, 2021, and from January 1 till March 1, 2022, inclusive. Entrance examinations are held due to the arrival of foreign applicants.

8. Foreigners provide the University with the following documents:

1) a previous education document (origin) and its copy, which is the basis for admission (if applicable/necessary – an official transcript);

2) in case of admission for obtaining a Master's degree, one should additionally provide the original document and its copy containing information about the content of the previous education program, obtained credits/period of study and performance in academic disciplines;

3) (if applicable) a health certificate issued by the official health authority of the country of origin of an applicant and its translation into Ukrainian;

4) a valid health insurance (expect for foreigners coming from countries that have signed agreements on free urgent medical aid);

5) 8 photos sized 30 x 40 mm;

6) (if applicable) a copy of the certificate of a foreign Ukrainian;

7) a copy of the foreign passport or the document identifying a stateless person.

Documents specified in subparagraphs 1) and 2) hereof must be certified in the issuing country in a manner officially used in this country for such certification and legalized by the corresponding foreign institution of Ukraine unless otherwise provided by international agreements of Ukraine.

9. Education documents of enrolled foreigners issued by education institutions of other states are subject to the recognition procedure in Ukraine according to the law.

10. Assessment of applicants' knowledge at entrance examinations to study at the corresponding level of higher education (Bachelor, Master) is carried out due to the 200-point scale from 100 to 200 scores. The average score of the education document is calculated according to the 100-point scale with rounding to tenth of scores and is put into the USEDE. The average score according to the European official transcript is calculated as a sum of all scores divided into their amount. The average score of the diploma with 4-point scale grades are accounted in the following way: 3 (satisfactory) corresponds to 73; 4 (good) = 89; 5 (excellent) = 100.

The average score of the previous education document with the 12-point assessment scale are accounted in the following way:

<table>
<tr><td>1</td><td rowspan="3">60</td><td>4</td><td rowspan="3">73</td><td>7</td><td rowspan="3">89</td><td>10</td><td rowspan="3">100</td></tr>
<tr><td>2</td><td>5</td><td>8</td><td>11</td></tr>
<tr><td>3</td><td>6</td><td>9</td><td>12</td></tr>
</table>

If the transcript to the previous education document is absent for valid reasons, its average score in the 100-point scale is considered to correspond to the potential value prescribed for such type of documents (60 scores). The competitive score during calculation is rounded with the accuracy of 0.001.

11. Foreigners who come to Ukraine to participate in academic mobility programs or educational programs between the University and foreign higher education institutions are accepted for study on contractual obligations of the above-mentioned higher education institutions.

12. Foreign Ukrainians who stay in Ukraine legally and their status is certified by a certificate of a foreign Ukrainian have the same rights to receive education as citizens of Ukraine with the exceptions established by the Constitution of Ukraine, the laws of Ukraine or international treaties, the consent to be binding was provided by the Verkhovna Rada of Ukraine.
